

## **AMENDMENT(S) TO THE SPECIFICATION**

**Please replace the paragraph beginning at page 1, line 11, with the following rewritten paragraph:**

### **Background of the Invention**

The present invention relates to a separating arrangement for the treatment of fluids according to the preamble of claim 1, namely separating admixtures.

**Please replace the paragraph beginning at page 2, line 31, with the following rewritten paragraph:**

Such a separating arrangement is ~~defined in claim 1~~ disclosed and claimed herein. The ~~further specification and~~ claims define preferred embodiments and uses of the arrangement.

**Please replace the paragraph beginning at page 3, line 31, with the following rewritten paragraph:**
